🌐 [Mandar Mane](#)

An ambitious and creative web app developer with a Master's degree in Computer Science and experience in front-end and back- end development. Proficient in HTML, CSS, JavaScript, and React. Passionate about creating responsive, user-friendly web applications. Seeking an entry-level web app development role where I can utilize my skills to contribute to the success of the company and enhance my professional growth.

WORK EXPERIENCE

Code Chakra Tech

(05.09.2022 – 26.05.2023)

Interan

As an intern full-stack web developer, I had a valuable and enriching experience during my time at the company. Throughout my internship, I had the opportunity to work on various aspects of web development, gaining exposure to both frontend and backend technologies.
